Texas House Republican Causus Update: Sanctuary Cities Legislation

Several governmental entities in Texas have adopted or may intend to adopt "sanctuary city" policies that purposefully hinder or prohibit local law enforcement cooperation with U.S. Immigration and Customs and prohibit officers from inquiring about a person's immigration status.

Republicans in the Texas House have filed legislation that would prevent local policies from undercutting the enforcement of immigration law made at the federal and state level. House Republicans are working to address this issue by:

- Prohibiting municipalities, counties, special districts, local entity employees, and district attorneys from adopting rules, orders, ordinances or policies that prohibit or discourage the enforcement of state and federal immigration laws.
- Requiring local entities to cooperate with federal Immigration and Customs Enforcement (ICE) regarding criminal illegal aliens.
- Ensuring that law enforcement agencies must notify the magistrate or judge if the federal government has identified a person as an undocumented alien or if a federal detainer request has been issued.
- Denying state grant funds or issuing a monetary penalty to local entities that are found to be in violation of the law.

As Republicans, we believe that it is our duty to ensure the safety of all Texans, and we are committed to prohibiting sanctuary city policies that threaten our security.

Local jurisdictions must enforce state and federal immigration laws to protect our communities and uphold law and order.

During the 84th Legislative Session, Republicans in the Texas House championed border security policies and provided over \$800 million in additional funding to secure the border. We will continue to provide additional resources to protect Texans and pass legislation to enforce immigration law.

District 127 Events

Humble ISD Rodeo

Last Friday, Rep. Huberty took his sons to the Humble ISD Rodeo benefiting the Education Foundation. They enjoyed a concert from Texas country music star, Kevin Fowler. The next night, the whole family returned for a concert by Stoney LaRue. As always, it was a great event for the all attendees and raised money for the Foundation.
