December 2013 Newsletter

Hello Friends,

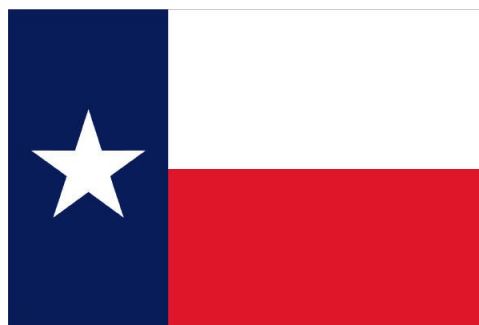

I hope that each of you had an enjoyable holiday season and would like to wish each of you a prosperous and healthy New Year in 2014.

It was great to spend some time in communities throughout District 59 during the month of December. I have included pictures from the new Stephenville Fire Station dedication ceremony.

I was honored to be recognized by Tarleton State and the Texas A&M University System for work during this past legislative session on behalf of higher education. I will continue to work to improve our education system for students from pre-k through college.

Sincerely,

J D Sheffield

District Events

The Stephenville Fire Department dedicated the new Fire Station Number 2 at the corner of Northwest Loop and Pecan Hill Drive. The well-attended ceremony included a tradition in the opening of firehouses, where the community pushes in the fire engine for the first time (pictured below).

Pictured at right, Stephenville Fire Department Chief Jimmy Chew and former Chief Jimmy Mooney conduct the uncoupling of a fire hose ceremony.
